

CSWA01 Ratchet Cable Shear

Major Tech's Ratchet Cable Shear ensures effortless cutting of armoured steel wire cables. It features telescopic handles for maximum leverage and a precise ratchet mechanism. For armoured cables, it handles a max diameter of 38mm² and a max cross-section of 150mm². For non-armoured cables, it's suitable for cables with a max diameter of 38mm² and a max cross-section of 630mm².

Features

- Effortless cutting of armoured steel wire cable
- Telescopic handles for max leverage
