

DCB115 115mm Diamond Cutting Blade

Major Tech's 115mm Diamond Cutting Blade, a high-performance tool designed for precision cutting in demanding applications. With a maximum speed of 80 meters per second, this cutting blade is ideal for various materials, including concrete, stone, hard ceramics, and thin granite. The 115mm diameter and 23mm bore size make this blade versatile and suitable for a range of cutting tasks. Featuring nine segments, the diamond-infused design ensures exceptional cutting efficiency and durability, allowing you to tackle tough materials with ease. Whether you're working on construction projects or intricate tasks that demand precision, our Diamond Cutting Blade is the go-to choice for professionals seeking reliable and efficient cutting performance. Invest in quality and precision with this cutting-edge tool for your cutting needs.
