

## EP0106 Electricians Plier

Major Tech's 165mm Electricians Plier is a versatile and robust tool designed for electricians' specific needs. Crafted from quality 50CRV Chrome Vanadium, it ensures guaranteed cutting-edge hardness at HRC 58-63, suitable for both hard and soft wires. Individually tested to 10,000V, this plier provides a high level of electrical safety with a 1000V safe performance. The heavy-duty TPE rubber-insulated handle grips offer a comfortable and secure grip during use. With a length of 165mm, a 45mm head, and a handle length of 120mm, this electrician's plier is an essential component in any electrician's toolkit, providing reliability and durability for various tasks.
