

KTKTSD07 Electronic Screwdriver Set

Major Tech's 7-Piece 1000V Electronic Screwdriver Set is a specialized toolset designed for electronic applications, ensuring safety with full insulation up to 1000V. Crafted from durable Chrome Vanadium, these screwdrivers are well-suited for delicate electronic work. The set includes swivel tops, allowing for easy maneuvering in tight spaces, and is equipped to handle fast-fixing screws efficiently. Compliant with DIN EN 60900 and IEC 60900 standards, this screwdriver set guarantees reliability and safety, making it an ideal choice for electronic professionals working with live circuits. Elevate your precision work with this high-quality, insulated electronic screwdriver set.
