

MGP0310 250mm Locking Pliers

Major Tech's 250mm Locking Pliers are designed for secure and durable use. Crafted from high-quality chrome vanadium steel, they ensure reliability and longevity. The curved jaws provide maximum grip, making these pliers versatile for various tasks. The quick release toggle and hardened rivets contribute to their convenience and longer life. With a maximum jaw opening of 30mm, these locking pliers are your dependable choice for secure and versatile work.
