

MPL0402 3W 50Lm LED Headlight

Major Tech's MPL0402 3W LED Headlamp, a versatile lighting solution suitable for various activities. Whether you're working in tight spaces, camping, or engaging in outdoor sports, this headlamp offers total hands-free convenience. With a powerful 3W COB LED, it provides up to 50 Lumens of illumination, ensuring a bright and focused light beam. The headlamp features three light functions, including 100% light intensity, 60% light intensity, and a flashing light mode, giving you flexibility for different scenarios. The adjustable strap and 90° lamp tilt allow for a comfortable and customized fit. The MPL0402 is equipped with an ON/OFF button and a strobe function, making it an ideal companion for outdoor enthusiasts, contractors, or handyman. Powered by 3 AAA batteries (not included), it offers a battery life of 8 hours at 100% light intensity and 16 hours at 60% light intensity. With a lightweight design (40g) and durable plastic housing, this headlamp is a reliable and convenient tool for hands-free illumination in various settings.
