

MPL0407 3W 150Lm LED Headlight

Major Tech's MPL0407 3W LED Headlamp, a versatile and reliable lighting solution suitable for various activities. Whether you're working, camping, or engaging in outdoor sports, this headlamp provides hands-free convenience with an adjustable head strap and 100% to 30% light intensity. The 3W COB LED delivers a powerful beam of up to 150 lumens, ensuring optimal visibility in diverse situations. Featuring an ON/OFF strobe function and three light modes, including 100% light, 30% light, and flashing light, this headlamp offers flexibility to meet different lighting needs. The adjustable strap and 90° tilt provide comfort and customizable illumination angles. Housed in a durable combination of ABS and aluminum, the MPL0407 is built to withstand various conditions. Powered by 3 AAA batteries (not included), the headlamp provides a battery life of 3.5 hours for the 100% light beam mode. With compact dimensions (34(Diameter) x 65(W) x 46(D)) and a weight of 85g, the MPL0407 is a practical and lightweight companion for outdoor enthusiasts, contractors, and handymen alike.
