

## MPS80 3W LED Work Light

Major Tech's MPS80 is a versatile 3W LED Work Light designed for various applications. With a powerful 3W COB LED, this work light delivers up to 200 Lumens of brightness, ensuring optimal visibility in dark areas. The 360° swivel hook and back magnet provide hands-free usage options, making it ideal for tasks like camping or as an emergency light during load shedding. The work light features an ON/OFF button and a convenient 180° tilt for directing light where it's needed. Crafted with a durable ABS rubberized housing, the MPS80 is lightweight at 85g, making it easy to handle. Please note that the work light operates on 3 AAA batteries (not included) and offers a battery life of approximately 3 hours. Upgrade your lighting solutions with the MPS80 for efficient and reliable illumination in various settings.
