

SP160 Wire Stripping Pliers

Major Tech's Wire Stripping Pliers are designed for precision and convenience. With spring-assisted opening, they effortlessly strip cable sizes from 0.3mm² to 6.0mm², suitable for both hard and soft wires. Crafted from durable 55# carbon steel, they come with heavy-duty insulation for safety. Adjusting the stripping stop is a breeze with the locking nut, offering precise control. Whether you're a professional or a DIY enthusiast, these pliers are your trusted tools for accurate and hassle-free cable stripping.
