

STS0304 Stainless Steel Tweezer Set

Major Tech's Stainless Steel Tweezer Set, a comprehensive collection designed for precision and durability. Crafted from non-corrosive stainless steel, these tweezers are not only resistant to corrosion but also feature anti-acid and anti-magnetic properties, ensuring long-lasting performance. The set includes four essential tweezers: a unique Reverse Action Tweezer that clamps when released for precise control, a Needle Point Tweezer for handling small and delicate objects, a Duck Bill Needle Point Tweezer with a broad gripping surface, and a Duck Bill Flat Point Tweezer offering versatile gripping options. Elevate your toolkit with this reliable and versatile Stainless Steel Tweezer Set, perfect for a range of applications requiring precision and control.
