

## TSD0407 Insulated Screwdriver

Major Tech's 150mm Insulated Screwdriver is a reliable tool designed for electrical tasks, featuring terminal screws with recessed heads. Fully insulated for safe use at up to 1000V, adhering to EN 60900 standards, it proves ideal for applications involving circuit breakers. With VDE insulation ensuring protection up to 1000V, this tool boasts blades made from hardened and tempered steel, providing durability for various tasks. The tough, resilient, and safety-focused soft handles offer ergonomic comfort during use. Compliant with DIN EN 60900 and IEC 60900 standards, this insulated screwdriver, with a length of 150mm, a 100mm blade, and a 6mm tip, is a trustworthy choice for electrical work.

### Features

- Fully insulated for 1000V working to EN 60900
- Ideal for circuit breakers
