

TKC3-9 Electricians Tool Kit

Major Tech's Electricians Tool Kit is a comprehensive solution for electrical professionals. It includes a range of 1000V insulated tools that have been individually tested to 10,000V, ensuring your safety while working with live electrical systems. From pliers to cable shears, screwdrivers, and more, this kit provides all the essential tools for various tasks. Special features like adjustable locking nuts, spring-assisted openings, and neon screwdrivers add versatility and safety. Whether you're a seasoned electrician or a DIY enthusiast, this kit equips you with high-quality tools designed for efficiency and security, making it an essential addition to your toolkit.
